Bili -Yi 依比粒

July 10, 2002 📞 0935343075 ✉ winnie07812@gmail.com ⏺ winnie0710

Qualifications

- Experienced in C programming for a variety of task, including writing and debugging concurrent programs.

Skills

C programming   Python   Git

Linux

Projects

Education

National Cheng Kung University – M.S in Electrical Engineering   **Sep 2024 -**

- Artificial Neural Networks

National Taiwan Ocean University – B.S in Electrical Engineering   **Sep 2020 – Jun 2020**

- Algorithm Design and Analysis: Apply algorithmic skills to analyze problems and design a series of problem-solving steps.
- Image Preprocessing and Feature Engineering

Publication

Bili-Yi, and Dong-Lin Li. "Ensemble Learning-Based Classification for Acroporidae and Pocilloporidae", IEEE International Conference on Marine Artificial Intelligence and Law, Taipei-Taiwan, September 2023

Presentation

2023 IEEE International Conference on Marine Artificial Intelligence and Law
